Welcome to MME Student Leadership!

Student Leadership is an organization of sixth, seventh, and eighth graders who want to contribute to a positive school and local community. The students meet on Monday mornings for the large meeting and at times will meet for committee work on a day and time that works for that committee. We work to help our community in a variety of ways: food drives for ICA, raising money for national/world needs (Tackle Cancer, UNICEF, and Pennies for Patients, backpacks supplied with school items). Our representatives help out during Curriculum Nights and other events. Students apply to become a member. Ten students are chosen from each grade level and four additional eighth graders will be elected as officers. Student council meetings will be held from 8:30 to 9:05 in room 128A on Mondays with additional meetings scheduled as needed. 7th and 8th grade applied before the end of the last school year to be a part of this year's leadership team.

Due to new students or those who decide that they would like to be a representative, we open 2 more spots for 7th and 8th graders during the 6th grade application period.

6th grade will receive information and applications beginning the week of September 13th.

Applications for 6th grade will be due by the end of the day on September 27th. Please hand in at the front office. Students will be notified by the end of the school day on September 29th if they are/are not part of Student Leadership.
